

Junior School Children's Parties

Many children, of course, wish to invite their friends to their birthday parties. We would be very grateful if you would consider the items in the school calendar before booking events and sending out invitations. We are always delighted if day pupils include boarders in their invitations and would encourage this. If you are planning a large party and wish to include many boarders we would be very grateful if the Houseparent could be involved in the planning stage so that clashes with school events can be avoided. Children who are not invited to large parties can feel very excluded and we'd be grateful if you could be mindful of this when sending out invitations.
