

Junior School Chapel

Gordonstoun is an inter-denominational and multi-faith School with Christianity providing the basis of our spiritual ethos. Every weekday there is a brief morning assembly, held in the Junior School Hall which normally has some spiritual or moral content. All members of the Junior School attend on these occasions.

On most Fridays, from 1645 to 1715 there is a School service in St Christopher's Chapel to which all parents are very welcome. The services are of a straightforward Christian nature and are led by the school Chaplain. All members of the school attend as the messages and values expressed are for the benefit of everyone. The services are of a Christian nature and are led by the school Chaplain with guest speakers. Typically, we enjoy a piece of music played by a pupil, sing (something Gordonstoun students are renowned for), consider a thought point during an address and reflect through a prayer of gratitude. All members of the school attend as the messages and values expressed are for the benefit of everyone and it's a happy occasion.

After Friday Services parents are welcome to join us for a cup of tea and it is a good time for parents to meet each other and catch up on each other's news.

The Chaplain is always happy to discuss spiritual, ethical and religious matters with pupils and parents and can be contacted on 0044 (0)1343 837896 or chapel@gordonstoun.org.uk
